

Privacy Policy

The administrator of the website www.cadcamtaniej.pl is MALKON KONRAD MALMON, headquartered at 73D, 59-323 Miłoradzice, Tax Identification Number (NIP): PL6922339796. You can contact us via email at kontakt@cadcamtaniej.pl or by phone at +48 660 794 059.

I. Purpose and Processing of Your Data

1. Newsletter

When subscribing to our newsletter, you will receive updates, valuable content, and industry-related information. To subscribe, you must provide your name and email address through a form. Providing this data is voluntary but necessary to receive the newsletter.

The legal basis for processing this data is the performance of a contract (Article 6(1)(b) GDPR).

Additionally, your data, along with the IP address used to subscribe, will be stored on the server of the mailing service provider with whom the Administrator has a data processing agreement. Your data will be used to send you the requested content and will remain in the database for the duration of the newsletter service, unless you terminate the service, in which case your data will be deleted.

2. Contact Form

You can contact us by submitting an inquiry via the contact form available on our website. In this case, you provide us with your name, email address, company name, address, Tax Identification Number (NIP), and other information in the message content that may include personal data. Providing this data is voluntary but necessary to establish contact via the form.

Your data will be processed for the following purposes:

Responding to your inquiry, i.e., actions requested by the data subject (Article 6(1)(b) GDPR);

Archiving, which is our legitimate interest (Article 6(1)(f) GDPR);

Possible claims or defense against claims, which is our legitimate interest (Article 6(1)(f) GDPR).

You have the right to access the correspondence history (if archived) and request its deletion, unless its archiving is justified by overriding interests of the Administrator, such as defense against potential claims. Data will be processed until the purpose of processing ceases.

3. Job Mediation Services

You can leave information about your qualifications and possible jobs in our database by filling out the form in the "extra money" section of our website. In this case, you provide your name, email address, company name, address, Tax Identification Number (NIP), and other information about your qualifications that may include personal data. Providing this data is voluntary but necessary to be added to the contractor database.

Your data will be processed for the following purposes:

Actions requested by the data subject (Article 6(1)(b) GDPR);

Archiving, which is our legitimate interest (Article 6(1)(f) GDPR);

Possible claims or defense against claims, which is our legitimate interest (Article 6(1)(f) GDPR).

You have the right to request the deletion of your data unless its archiving is justified by overriding interests of the Administrator, such as defense against potential claims. Data will be processed until the purpose of processing ceases.

4. Posting Advertisements in Listings

You can provide information about the sale of software or machines, or search for subcontractors in our advertisement database by filling out forms in the following sections: project marketplace, software marketplace, and machine marketplace. In this case, you provide your name, email address, company name, address, Tax Identification Number (NIP), and other information in the advertisement content that may include personal data.

Providing this data is voluntary but necessary to submit an advertisement. Your data will be processed for the following purposes:

Actions requested by the data subject (Article 6(1)(b) GDPR);

Archiving, which is our legitimate interest (Article 6(1)(f) GDPR);

Possible claims or defense against claims, which is our legitimate interest (Article 6(1)(f) GDPR).

You have the right to request the deletion of your data unless its archiving is justified by overriding interests of the Administrator, such as defense against potential claims. Data will be processed until the purpose of processing ceases.

II. Cookie Policy

Our website uses cookies to provide you with the best user experience. Cookies are small text files stored on your device (e.g., computer, tablet, smartphone) that can be read by our IT system.

Cookies enable us to:

Ensure the proper functioning of the website as expected;

Improve the speed and security of the website;

Enhance features available to you;

Use analytical tools;

Use marketing tools;

Enable the comment system;

Display videos from YouTube and Vimeo;

Provide social networking features

During your first visit to our website, you will see a notification about the use of cookies. Accepting and closing this notification signifies your consent to the use of cookies in accordance with this privacy policy. You can withdraw your consent at any time by deleting cookies or changing your browser's cookie settings. However, please note that disabling cookies may make it difficult to use the website and many other websites that rely on cookies.

Types of Cookies and Tracking Technologies on Our Website

1. Log Files

Each time you visit our website, the system automatically collects information and data from your device. The data stored in log files is used to ensure service functionality, optimize the website, and maintain IT system security. The legal basis for processing this data is the Administrator's legitimate interest (Article 6(1)(f) GDPR).

Your data is stored on the server until it is no longer necessary for the purpose for which it was collected. If the data is collected to provide the website service, it will be deleted when the session ends. Log file data is essential for the website's operation, and thus, users cannot object to its processing.

2. Google Analytics

To analyze how users interact with our website, we use Google Analytics, a service provided by Google Ireland Ltd. (Gordon House, 4 Barrow Street, Dublin, Ireland). This tool enables us to create activity reports, measure content effectiveness, and provide other internet usage insights.

Google Analytics uses cookies, which are text files stored on your device. The information collected by these cookies is typically sent to Google's servers, where it is stored. To protect your privacy, we use IP anonymization, ensuring that your IP address is shortened, making it impossible to link the address to you directly.

The legal basis for processing this data is the Administrator's legitimate interest (Article 6(1)(f) GDPR). Data will be retained by Google for 26 months. Due to IP anonymization, no personal data will be stored. You can block cookie storage on your device through your browser settings or by using a browser plugin to disable data transmission to Google.

3. Facebook Pixel

To analyze, optimize, and improve our services, we use Facebook Pixel, provided by Facebook Ireland Ltd. (4 Grand Canal Square, Grand Canal Harbour, Dublin 2, Ireland). Facebook Pixel is a piece of code embedded in our website that helps us measure the effectiveness of Facebook advertisements by tracking users who visit our services after clicking on a Facebook ad.

During your visit, Facebook Pixel establishes a direct connection with Facebook servers. For more details on how Facebook collects and uses data and to learn about your rights and privacy options, refer to Facebook's data policy: [Facebook Privacy Policy](#).

The legal basis for processing this data is the Administrator's legitimate interest (Article 6(1)(f) GDPR).

III. Your Rights as a Data Subject

As a data subject, you have the following rights regarding the processing of your personal data:

1. The right to request access to your personal data, rectify it, delete it, or restrict its processing.
2. The right to object to the processing of your data.
3. The right to data portability.
4. The right to withdraw consent for processing your personal data for specific purposes, if consent has been previously given.
5. The right to file a complaint with a supervisory authority regarding the processing of your personal data.

IV. Recipients of Your Personal Data

In certain situations, where the law requires us to share collected data with state authorities, we will be obliged to provide such data. Additionally, the Administrator may share your personal data with service providers such as accounting firms, legal service providers, IT service providers supporting the website, email service providers, and web hosting providers.

If you wish to know the full list of entities to whom your data is disclosed, please contact us.

V. Transfer of Data Outside the European Economic Area (EEA)

Due to the use of tools like Google Analytics and Facebook Pixel, your personal data may be transferred to third countries, including the USA, Chile, Singapore, and Taiwan. The basis for such transfers is contractual clauses ensuring an adequate level of protection, in compliance with the European Commission's standard contractual clauses (Decision 2021/914 of June 4, 2021).

VI. Final Provisions

The Administrator reserves the right to amend the privacy policy if required by applicable law, changes in technological conditions of the website's operation, or if the change introduces a higher standard than the minimum required by law.
